Legislative Counsel's Digest

AB 1130 as amended in Senate June 27, 2017

(Pursuant to Joint Rule 26.5)

AB 1130, as it passed the Assembly, established, in a rental agreement of heavy equipment property by a qualified heavy equipment renter, a rebuttable presumption that the parties agreed to the addition of estimated personal property tax reimbursement to the rental price of heavy equipment property to a lessee under specified conditions, including a condition that the rental agreement state that the estimated personal property tax reimbursement amount charged is the amount estimated by the qualified heavy equipment renter owed for personal property tax on that heavy equipment property for a specified lien date and that any amounts in excess of the actual amount of personal property taxes owed on the heavy equipment property will be remitted to the State Board of Equalization for deposit into the General Fund. AB 1130, as it passed the Assembly, also established the Property Tax Reimbursement Law, which requires that, in a rental agreement described above, any property tax reimbursement that is collected in excess of the ad valorem property tax be collected pursuant to the specified conditions.

The Senate amendments remove the condition, with regard to the rebuttable presumption, that the rental agreement state that the estimated personal property tax reimbursement amount charged is the amount estimated by the qualified heavy equipment renter owed for personal property tax on that heavy equipment property for a specified lien date and that any amounts in excess of the actual amount of personal property taxes owed on the heavy equipment property would be remitted to the State Board of Equalization for deposit into the General Fund.

2017

Sep. 5—Read third time. Passed. Ordered to the Assembly.

Sep. 5—In Assembly. Concurrence in Senate amendments pending.

Legislative Counsel's Digest

AB 1157 as amended in Senate June 29, 2017

(Pursuant to Joint Rule 26.5)

AB 1157, as it passed the Assembly, among other changes related to school facilities, specified that the property tax exemption for property used exclusively for school, college, or university property includes property that is used to jointly provide housing for employees of one or more public school districts or community college districts, provided that the use of property to jointly provide housing is pursuant to a written agreement between the affected public school districts or community college districts. The bill also specified that the property tax exemption for property owned by a county includes property, used to provide housing for the employees of that county, that is also used to provide housing to employees of a public school district or community college district that was located within a specified area.

The Senate amendments modify the language relating to the property tax exemption for property used exclusively for school, college, or university property to specify that exemption applies to an interest in property, including a possessory interest, belonging to the state, a county, a city, a school district, a community college district, or any combination thereof, that is used to provide rental housing for employees of one or more public school or community college districts. The Senate amendments also delete the language relating to the property tax exemption for property owned by a county and add coauthors.

AB 424, as it passed the Assembly, deleted the authority of a school district superintendent, his or her designee, or equivalent school authority to provide written permission for a person to possess a firearm within a school zone. The bill, as it passed the Assembly, also exempted from the prohibition on possessing a firearm within a school zone the possession of a firearm for a program involving shooting sports activities that are sanctioned by a school, school district, college, university, or other governing body of the institution.

The Senate amendments additionally exempt from that prohibition the possession of firearm for participation in activities of a certified hunter education program, as specified.

AB 944 as amended in Senate July 18, 2017

(Pursuant to Joint Rule 26.5)

AB 944, as it passed the Assembly, created the California Spiny Lobster Commission, as specified, and, among other things, required the commission to levy an assessment of \$0.25 for each pound of spiny lobster landed by fishermen in the state to carry out programs of education, public information, promotion, marketing, and research relating to spiny lobster. AB 944 also provided that, upon entry of any final judgment for a civil action on behalf of the commission against any defendant, the court is required to enjoin the defendant from conducting any type of business regarding spiny lobster until the judgment is fully complied with and satisfied.

The Senate amendments instead require the commission to levy an assessment of \$0.10 for each pound of spiny lobster landed by fishermen in the state to carry out programs of education, public information, promotion, marketing, and research relating to spiny lobster and require the above-described civil action injunction to be stayed for a period of 30 days.

AB 1194 as amended in Senate August 21, 2017

(Pursuant to Joint Rule 26.5)

AB 1194, as it passed the Assembly, mandated that local government agencies include specified information in the statement required to be included in voter information guides for bond measures that will be secured by an ad valorem tax. Specifically, AB 1194, as it passed the Assembly, required this statement to include an estimate of the average annual tax rate required to fund the proposed bond measure for the duration of its debt service, and to identify the final fiscal year in which the tax is anticipated to be collected, in addition to other information already required to be included.

The Senate amendments retain this mandate, but they eliminate the requirement that certain other information relating to the tax rate that would be required to be levied to fund the bond be included in the statement.

Legislative Counsel's Digest

AB 1414 as amended in Senate July 20, 2017

(Pursuant to Joint Rule 26.5)

AB 1414, as it passed the Assembly, among other things, lowered the maximum limit on permit fees by a city, county, city and county, or charter city for residential solar energy systems based upon the estimated reasonable cost of providing the service for which the fee was charged, to \$400 plus \$15 per kilowatt for each kilowatt above 15kW for photovoltaic systems and \$400 plus \$15 per kilowatt thermal for each kilowatt thermal above 10kWth for thermal systems, and authorized residential and commercial solar energy system permit fees to exceed the maximum limit amounts on those fees if there was substantial evidence of the reasonable cost to issue the permit and the duration of the excess permit fee did not exceed 5 years from the date of adoption of this fee.

The Senate amendments, instead, increase the maximum limit of the residential permit fee to \$450 plus \$15 per kilowatt for each kilowatt above 15kW for photovoltaic systems and \$450 plus \$15 per kilowatt thermal for each kilowatt thermal above 10kWth for thermal systems, and authorize the residential and commercial solar energy system permit fees to exceed the maximum limit amounts only if there is substantial evidence of the reasonable cost to issue the permit. In addition, the Senate amendments revise the definition of solar energy systems for purposes of the right of receiving sunlight across real property of another for any solar energy system and for purposes of the limits on solar energy system permit fees.

Sep. 7—In Assembly. Concurrence in Senate amendments pending.

Legislative Counsel's Digest

AB 1277 as amended in Senate June 12, 2017

(Pursuant to Joint Rule 26.5)

AB 1277, as it passed the Assembly; required the Dental Board of California, consistent with and in addition to the federal Centers for Disease Control and Prevention recommendations for procedural water quality, to amend regulations on the minimum standards for infection control to require water or other methods used for irrigation to be sterile or contain recognized disinfecting or antibacterial properties when performing dental procedures that expose dental pulp; deemed, until December 31, 2018, the adoption and readoption of the regulations an emergency and exempted the board from describing facts showing the need for immediate action and from review by the Office of Administrative Law; and required the board to adopt final regulations on or before December 31, 2018.

The Senate amendments specify that the board should amend the above-described regulations, consistent with and in addition to the federal Centers for Disease Control and Prevention recommendations for procedure water quality, to require procedure water or other methods used for irrigation to be sterile or contain recognized disinfecting or antibacterial properties when performing dental procedures that expose dental pulp.

GOVERNOR’S VETOES

89

A.B. No. 639—Obernolte.

An act relating to state government.

2017

Jul. 12—Enrolled and presented to the Governor at 11:30 a.m.

Jul. 21—Vetoed by Governor.

Aug. 21—Consideration of Governor’s veto pending. **Legislature has 60 calendar days, not including periods of joint recess, to consider Governor’s veto (J.R. 58.5)**

To the Members of the California State Assembly:

I am returning Assembly Bill 639 without my signature.

This bill requires the Department of General Services to develop procedures authorizing the submittal of electronic signatures and documents on contracts that are covered by the State Contracting Manual.

This bill is unnecessary because the Department of General Services is developing an electronic signature policy that will be implemented before this bill would take effect.

Sincerely,

Edmund G. Brown Jr.

Aug. 21—Consideration of Governor's veto pending. **Legislature has 60 calendar days, not including periods of joint recess, to consider Governor's veto (J.R. 58.5)**

To the Members of the California State Assembly:

I am returning Assembly Bill 431 without my signature.

This bill makes state-owned militia armories generally available to localities for use as temporary shelters for homeless persons from October 15 through April 15 each year, subject to the approval of the Adjutant General.

Making the armories available for this purpose is a worthy goal, but this bill is unnecessary. The Adjutant General has full authority to grant local requests for temporary homeless shelters. Current law allows any city or county to use an armory within its jurisdiction for use as a temporary shelter, subject to the Adjutant General's approval.

To make sure this law is widely understood, I am directing the Military Department to place on its website information that all localities can request state militia armories in their jurisdictions be used as temporary shelters for the homeless.

Sincerely,

Edmund G. Brown Jr.

Aug. 21—Consideration of Governor's veto pending. **Legislature has 60 calendar days, not including periods of joint recess, to consider Governor's veto (J.R. 58.5)**

To the Members of the California State Assembly:

I am returning Assembly Bill 446 without my signature.

It would authorize a school district, county office of education or State Board of Education to donate surplus property or obsolete instructional materials to individuals in adjoining states.

This bill is unnecessary. Current law already authorizes the donation of these obsolete materials to public agencies in other states. A school district or library in Nevada that receives materials from a California school district can certainly then donate materials to individuals in Nevada.

Sincerely,

Edmund G. Brown Jr.

To the Members of the California State Assembly:

I am returning Assembly Bill 1472 without my signature.

This bill outlines the factors that the California State Lands Commission (Commission) may consider when evaluating an application to assign, transfer, or sublet an oil and gas lease.

The Commission currently has broad authority to assess whether an applicant is able to meet the obligations under the proposed lease. For that reason, I think this bill is unnecessary.

Sincerely,

Edmund G. Brown Jr.

Aug. 21—Consideration of Governor's veto pending. **Legislature has 60 calendar days, not including periods of joint recess, to consider Governor's veto (J.R. 58.5)**

To the Members of the California State Assembly:

I am returning Assembly Bill 860 without my signature.

This bill would allow the Mental Health Services Oversight and Accountability Commission to tour facilities that are providing mental health services to patients and are not open to the public.

Individual commission members can and do visit locked mental health facilities, jails, psychiatric hospitals, and schools to observe mental health care services firsthand. Creating an exception to the Bagley-Keene open meeting laws to allow an entourage of commissioners and press to visit these facilities is unnecessary and could disrupt treatment programs or compromise the privacy of those receiving services.

Sincerely,

Edmund G. Brown Jr.

To the Members of the California State Assembly:

I am returning Assembly Bill 1091 without my signature.

This bill makes it a crime for anyone to willfully release balloons made of electrically conductive material outdoors.

I do not believe that expanded criminal liability is the best solution to the problem of electrically conductive balloons interfering with power lines. As I have said before, our Penal Code is already far too complex and unnecessarily proscriptive. Criminal penalties are not the solution to every problem.

This bill would require local educational agencies, when adopting suicide prevention policies, to consider whether zero tolerance policies for alcohol or drugs deter pupils from seeking treatment for substance abuse.

I agree with the goal of this bill but believe this is a matter more appropriately handled at the local level.
